HOW DOES IT WORK?

If you are interested in taking a class at another Baltimore area campus, check the course catalogs to see what is available. Once you find a class, talk with your academic advisor to make sure it will work with your program and then go to your campus registrar's office and they will set it up with the host campus.

"I took a great class through the Baltimore Student Exchange Program. I really liked my professor, got a chance to see a different campus, and met a few new friends."

Learn more using our online information guide, FAQs, links to course catalogs, and registrar's office contacts.
