

Baltimore Collegetown LeaderShape Student Grant Program

www.BaltimoreCollegetown.org/LeaderShape

Goal

The program goal is to assist the completion of LeaderShape student visions in partnership with communities, non-profit agencies, schools, and government bodies in an effort to create a better community in the Baltimore region.

Grant Levels

Grants will be made available to individual LeaderShape students, graduates (individuals or teams), or community partners. Typical grant awards are \$250 – \$500 based on need and strength of the applications.

Community Partner

Students applying must supply a community partner's contact information and signature. Students must also have the signature of their Campus Liaison to receive funding.

Expected Uses of Funds

- Funds may be used for materials and supplies necessary to complete the project.
- Publicity, printing and postage are allowable costs.
- Other items must be adequately justified in the proposal.

Funds are NOT to be used for

- May not be used for salaries, honoraria, or compensation to the individuals working on the project.
- May not be used as a donation.
- May not be used for cash awards or purchasing gift cards, as an award or special prizes, etc.

Application Timeline

1. Applications must be submitted by **December 15, 2017 at 5:00 p.m.**
2. Grant committee will review applications.
3. Award winners will be notified by **February 15, 2018.**
4. Funds will be available 3 weeks after winners are notified.
5. Final Reports must be submitted by **July 1, 2018.**

General Information

- Any student involved in the projects must be in good standing or alumni standing with their home institution at the time of fund allocation.
- Submission of an application does not guarantee funding.
- Award recipients are expected to attend funder meetings to discuss their use of the funds.
